Comic strips : histoires de poulpe

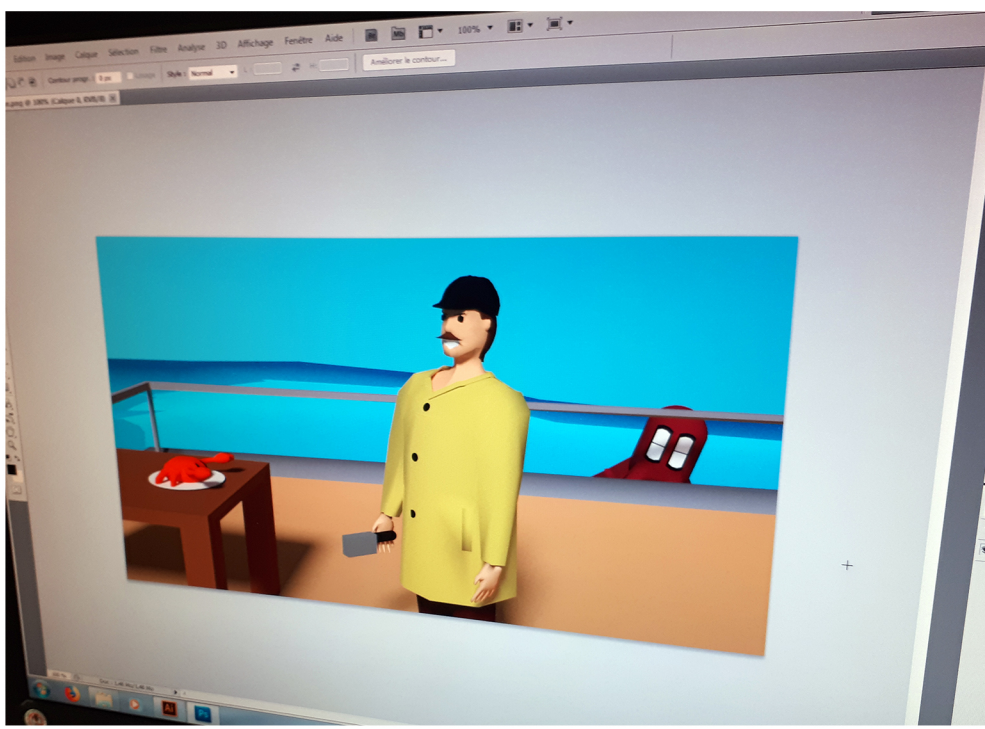

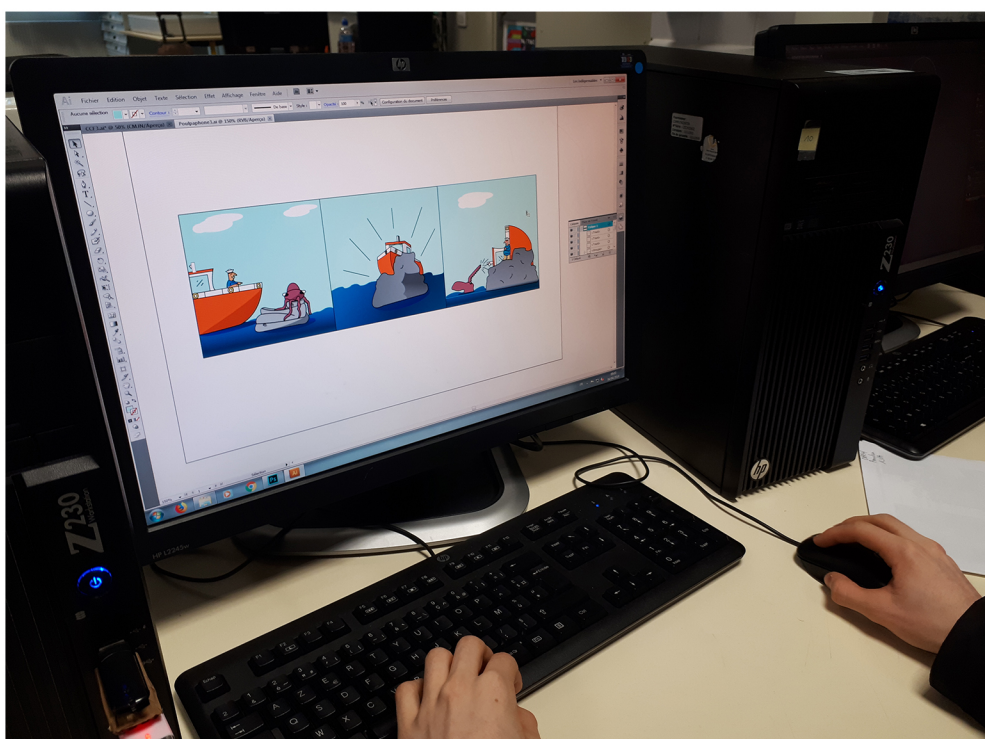

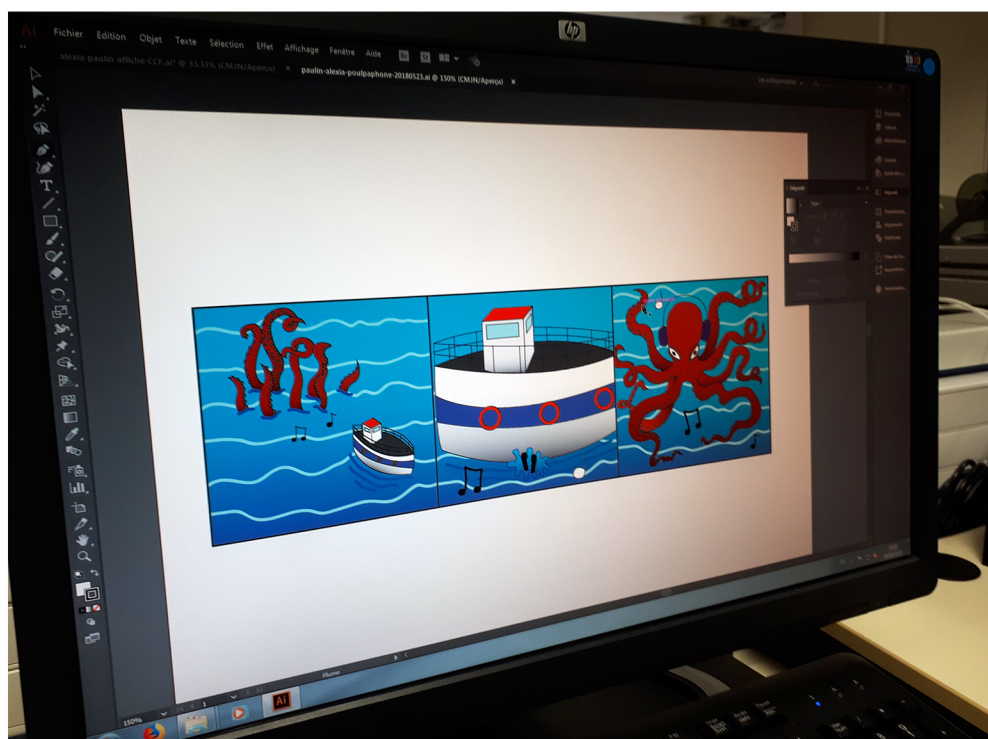

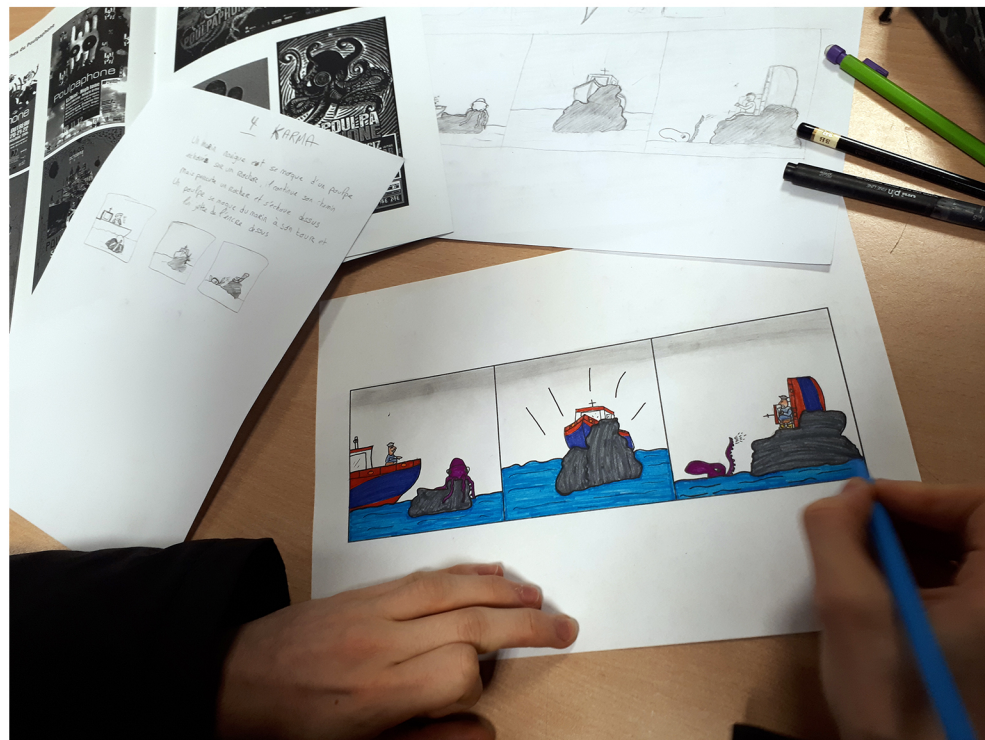

Bac Pro AMA Communication Visuelle Plurimédia - Le Corbusier - Tourcoing

Certains comic strips seront les supports de communication (cartes, 10x15 cm mises à disposition lors du festival) présentant les différentes formations de métiers d'art des Hauts-de-France.

Procédure :

- Écrire un scénario (histoire entre des marins et un poulpe)
- Représenter graphiquement (en 3 cases) les 3 moments clés de l'histoire
- Réaliser le comic strip en PAO (Illustrator, Blender)
